The Annual ROAR

Mechanicsburg Area High School Alumni Association Newsletter | 2026

PRESIDENT'S MESSAGE

Friends,

"Hello Wildcats!"

It is my honor to welcome you to the 2026 Alumni Association Newsletter – The Roar.

Your continued support through contributions to our Administrative Fund, the Scholarship Fund, Dinner Sponsorships and paying annual dues allows this organization to continue to thrive and enables us to continue providing this publication. I am proud to announce that for the first time ever, we will be able to offer over $50,000.00 in scholarships this year. This is due largely from investments to the Scholarship Fund.

This year's Annual Dinner will again be held at the Mechanicsburg American Legion. Please consider joining us for an evening of food and fellowship. Note the change of date for this year's event. Our goal is to have all our new scholarship recipients in attendance to receive their awards and give all of you an opportunity to meet these deserving graduates.

Our resident Administrative Guru, Bob Mentzer '86, has put together an amazing library of past yearbooks – nearly 100 years. Your online dues payment at www.mashalumni.org/contribute will allow you to receive a special password that will give you access to this incredible digital library.

I am very proud to work with a dedicated group of Mechanicsburg graduates on the Alumni Association Board. In addition, I am humbled by the continued support of our Association by all of you. Without your Wildcat Pride, we would not exist.

I hope you enjoy this edition of the ROAR. THANK YOU!

Sincerely,

Gary B. Weber, President
Class of 1967

The Wildcat Foundation continues to adapt and grow with the ever-expanding Mechanicsburg Area School District.

That growth includes welcoming Aicha Noma as the foundation's 14th Board President and its first female and person of color as president.

For the 2025-2026 school year, the foundation will award more than $100,000 in grant funds. That includes a $10,000 grant to support the food pantries at the elementary, middle school, and high school levels; and a $10,000 grant to help establish snack banks at all 5 elementary schools.

Grants are awarded each school year targeting areas that support the foundation's mission to strengthen the educational, cultural, wellness, and athletic programs at MASD. Since being established in 1998, the foundation has awarded nearly $1.5 million in program grants that support our MASD learning community.

The foundation also continues to expand its scholarship options for seniors at Mechanicsburg Area Senior High School, offering at least 9 scholarships this spring totaling $43,000. That will raise the foundation's scholarship offerings over $300,000 since 2012.

Those scholarships include the Charles H. Jr. and Jane Eagle Diller Business Scholarship, The Mechanicsburg Club/Wildcat Foundation Scholarship, the Janet B. Wentz English Award, the Larry F. Carey Memorial Military Award, and the newly added Foundation Board Scholarship.

None of the foundation's work would be possible without support from the community and our generous donors, many of whom are MASH alum. That support received a generous boost when Faulkner Subaru of Mechanicsburg chose The Wildcat Foundation as a partner for its 2025 Share the Love event. Faulkner announced a $28,000 donation from the event to the foundation at its Wildcat Foundation Night event on Feb. 20.

To learn more about The Wildcat Foundation, its board, its fundraising efforts, its scholarships, and its grant programs you can visit www.wildcatfoundation.org.

You can also reach out with questions to Foundation Executive Director Jeff Pratt by email at jpratt@mbgsd.org or by calling 717.691.4505.

SAVE THE DATE: The Foundation's Annual Golf Outing will be held Friday, July 31, 2026, at Carlisle Barracks Golf Course.

MUSIC AND MECHANICSBURG SCHOOLS

By William Murray | © 2025, Mechanicsburg

Once again, the National Association of Music Merchants, the NAMM Foundation, recognized the Mechanicsburg Area School District as one of the best communities for music education in the United States. As the website of the organization states, this award "recognizes and celebrates outstanding efforts by teachers, administrators, parents, students, and community leaders who have made music education part of a well-rounded education. Designations are made to districts and schools that demonstrate an exceptionally high commitment to and access to music education."

Mechanicsburg Schools have a long tradition of promoting music education. The earliest mention of music in the MASD Archives is a news article published in the December 7, 1863, edition of the Harrisburg *Telegraph*, reporting about the proceedings of the Cumberland County Institute, a professional development event for county teachers. According to the article, "music for the institute was provided by the pupils of the Mechanicsburg High School."

By 1894, the music curriculum was considered to be so advanced that, according to an article in the December 6 edition of the Carlisle *Sentinel*, the Superintendent of the Mechanicsburg Area Schools, E.M. Baxter, was asked to address the gathering on the history of music in the Mechanicsburg schools in addition to a concert by the choir of Mechanicsburg High. Baxter gave credit for the success of the students to their teacher, Miss Jean Witherow. Miss Witherow was the first teacher found in the MASD archival records who specialized in teaching the fine arts, splitting her time between music and drawing. In 1901, she became MHS's full-time music director, but after marrying, she moved to Altoona to serve as music supervisor for Altoona City Schools.

Mrs. Sarah Bangs soon replaced Miss Withrow as the teacher of vocal music. Mrs. Bangs split her time between Carlisle and Mechanicsburg until her move to Southern California in 1895.

In 1911, again at the local teachers Institute, the group requested that a representative from Mechanicsburg speak about the school's music program. President of the Mechanicsburg School Board, H.H. Mercer, Esq., encouraging all districts to follow the example set by Mechanicsburg and develop music programs that should be "taught scientifically to fit the pupils for life's work."

During this period, music instruction remained a part-time activity, with the instructor splitting instructional time between music and art. This changed in 1927 when Mrs. Leslie Karper became the Music Supervisor of the Mechanicsburg Schools. As the 1929 annual *The Torch* stated, MHS has won the musical contest in Carlisle every year since Mrs. Karper came to Mechanicsburg.

During this time, music instruction focused solely on vocal music through the Choir and Glee Club.

The first mention of a band was in the *Torch* when it was reported that a "rube" band marched down Main Street to advertise the football game. The reporter also stated that "their music resembled their name." This was not the compliment that Mechanicsburg music receives today.

This changed in 1927, when Lloyd A. Bender, the conductor of Mechanicsburg's Town Singer Band, was hired to organize a band and an orchestra for Mechanicsburg High School.

The MHS band made its first public appearance on May 14, 1928, when they toured the town on the back of a truck before opening day of the Sunday School Baseball League, wearing, according to an article in the 1928 annual, their new uniforms of maroon sweaters and steel-colored trousers.

HALL OF FAME

HOWARD ROBERT "MIKE" GREENAWALT

Class of 1970
Outstanding Achievement in a Chosen Profession

A lifelong fixture of the Mechanicsburg community, Howard Robert "Mike" Greenawalt—son of Robert and Joyce Greenawalt—was raised on East Main Street and grew up attending the Mechanicsburg Presbyterian Church.

Mike's educational journey began in 1955 at Arch Street Elementary, continuing through Simpson Street Junior High and the Elmwood Avenue school. He eventually moved to the newly constructed high school on Broad Street, where he graduated in 1970. During his senior year, Mike distinguished himself both in the classroom and on the green. He dominated the local golf circuit, winning back-to-back individual league championships in his junior and senior years.

After attending the University of North Carolina at Chapel Hill, Mike transferred to Elizabethtown College, where he earned a B.S. in Accounting in 1974. His professional ascent began as an intern at **Greenawalt & Company, P.C.** Upon graduation, he joined the firm full-time, earned his CPA license, and eventually became an owner and officer from 1980 through 2011. Under his leadership, the firm maintained a significant presence with locations in Mechanicsburg, Middletown, and Carlisle.

Mike's career was defined by a commitment to continuous mastery and professional ethics. He specialized in audit and tax engagements for community banks and financial institutions, completing both levels of the **AICPA National Banking School at the University of Virginia**. In addition to being a CPA, he earned the prestigious **Certified Business Manager (CBM)**, **Certified Financial Services Auditor (CFSA)**, and **Chartered Bank Auditor (CBA)** designations. His leadership extended to the Pennsylvania Institute of Certified Public Accountants (PICPA), where he served as President of the South-Central Chapter and Chairman of the Committee on Professional Ethics.

Beyond his firm, Mike leveraged his financial expertise to benefit the Central Pennsylvania community. He served as a member of the Mechanicsburg Area Foundation Advisory Board of TFEC and was a founding Gifts Director of the **Wildcat Foundation**. His civic contributions also included serving as President of the Carlisle Rotary Club and Treasurer of Carlisle Area Meals on Wheels. Even in retirement, his expertise remained in high demand; he served as a director for Riverview Financial Corporation and subsequently for Mid Penn Bancorp, where he acted as the designated financial expert on the Audit Committee.

Despite these high-level accolades, Mike is most revered for his integrity and his "family-first" mindset. An administrative assistant once noted, "I love working here, because no matter how busy they become, Mike always prioritizes family and understands others' need to do the same." Mike lived this philosophy daily, never missing his children's swim meets, officiating and timing for their meets and frequently coaching their baseball and softball teams.

Today, Mike lives in Boiling Springs with his wife, Laurie Stansfield Greenawalt (Class of 1973). They are the proud parents of two children and grandparents to three.

In recognition of his exemplary career and steadfast service to the community, the Mechanicsburg High School Alumni Association is honored to induct Mike Greenawalt into the **Hall of Fame** at our 2026 annual dinner. Details regarding the event will be published in the upcoming April edition of Roar. We invite you to join us in celebrating a lifetime of outstanding achievement.

MUSIC AND MECHANICSBURG SCHOOLS ... CONTINUED

The band displayed their talents at halftime of football games and participated in the state band competition held May 1, 1931, sponsored by the Pennsylvania Forensic and Music League.

According to the *Gettysburg Times*, the team from Mechanicsburg placed third behind State College and Clairton High Schools. Today, MASH participates in events sponsored by the Pennsylvania Music Educators Association.

The Orchestra was also established in 1927 under the direction of Lloyd Bender. Its inaugural public performance took place on April 25, 1927, in the social rooms of a local church, followed by a special presentation at a school assembly on April 29, 1927. By 1932, the number of participants had grown, requiring the creation of a junior orchestra for younger students.

From the 1920s to the early 1950s, the music department, under the leadership of the glee club, presented Operettas, including "The Gypsy Rover" in 1931. This ended in the early 1950s until the revival of the musical theater at Mechanicsburg High in 1991 with the hiring of Eric Dundore and his production of *The Music Man*.

The Mechanicsburg Area Schools currently employ thirteen professional music educators to work with students. These educators join a long list of educators and students who have earned the latest distinction from the NAMM Foundation.

MEMBERSHIP DUES & ANNUAL MEETING RESERVATIONS

Your Membership Dues support the Alumni Association annually. Show your appreciation for your high school education!

The Annual Alumni Dinner honors the 50-Year Class and the annual Scholarship Winners and inductees to the Alumni Hall of Fame. Get your classmates together and toast your fellow alums and honorees, renew old friendships, and enjoy a great dinner!

Your Event Sponsorship will go towards preserving this tradition as well as keeping your Alumni Association thriving. All sponsors will be recognized at the Annual Dinner and listed in next year's Roar newsletter and on the Alumni Association web page.

The Administrative Fund supports all functions of the alumni address and information database, class reunion mailing labels, annual newsletter design and printing, web site maintenance, and office supplies.

Interest from the Scholarship Fund provides funding for the Alumni Scholarships awarded annually to graduating seniors based on the educational and financial needs of the applicants.
