

2026 Dinner Meeting Highlights!

The annual Mechanicsburg Area High School Alumni Association (MAHSAA) Dinner was held May 20, 2026 at the American Legion Post 109, corner of Main and York Streets in Mechanicsburg. Attendees had a great time and the dinner was outstanding. Following the dinner, the fiftieth graduating class, the Class of 1976, was honored. In addition, one member, CPA Mike Greenawalt, was officially inducted into the MAHSAA Hall of Fame. If your alumni class has someone who you feel deserves to be in the Hall of Fame, please nominate them prior to November 1st. See the MAHSAA website (<https://www.mashalumni.org>) for specific nomination criteria.

Scholarships

Below are pictures of most of the 2026 Mechanicsburg senior recipients of a MAHSAA scholarship. The Alumni Association was fortunate this year to be able to give out a total of \$40,000 to eight deserving seniors. This money will be used to help them achieve their dreams of going to college and majoring in an important curriculum.

MAHSAA was pleased that several of the recipients' parents also attended the dinner. MAHSAA member and Mechanicsburg Area School district Assistant Superintendent and Chief Financial Officer, Greg Longwell '03 (pictured right) presented a check to each recipient. Each recipient was afforded an opportunity to speak briefly about themselves and where they had chosen to attend college. All were very appreciative of the generosity shown by MAHSAA.
